450 GOLDEN GATE AVENUE
SAN FRANCISCO, CA 94102

NOTICE TO RECREATIONAL BOATERS

U.S Army Corps of Engineers Channel Maintenance Dredging **Beginning in REACH 5 and once complete will move to REACHES 4, 3, 2, and ending with** **REACH 1**

- Dredging operations are expected to commence on or after 17 NOVEMBER 2024.
- Dredging will occur 24/7 until project completion, tentatively mid DECEMBER 2024.
- Contact Information
 - USACE Project Engineer: Kelly Williams (415) 755-0489
 - Contractor: Curtin Maritime Corp, (562) 983-7257
 - Curtin Project Manager: Tyler Maiers (810) 841-7552

Boaters should watch out for the following equipment **and vessels that will be involved in the project:**

- Tugs, Dredge Barges and Dump Scows
- Survey and Crew Boats
- White mooring Buoys with blue stripe topped with white lights

Recreational boaters should consider the following:

- The dredge will be working VHF radio channel CH 11 and monitoring 13 and 14 for communication of recreational boaters' intentions.
- Be Visible and attach lights for dredge/tugs/survey boats to see recreational boaters during nighttime hours.
- Keep adequate distance from dredge to avoid the swinging bucket and moving equipment. Do not go alongside the dredge.
- Keep 500ft distance from the tugs, scows, & dredge while scows are being swapped out at the dredge. Never go between the scow and dredge.
